

How to add a proxy for volunteering

1. Click on register, to register for the event.

New Ulm - Training Ride #09

[View event details](#)

When	13-Mar-2021 08:00 - 13:00 (UTC-06:00)
Location	1893 Track Rd, New Ulm, TX, 78950
Registered	9 registrants

[REGISTER](#)

We will be riding from Firemans Park, New Ulm. Arrive early (7:30am) to ensure enough time to get your gear ready and hear the safety and ride announcements. We roll out at **8 am**.

Please study the maps on Ride with GPS, download files to your Navigation device and print a copy of Map and Turn instructions if you require paper copies.

COVID: For the safety of all riders and volunteers it is important that we all follow the guidelines. Whilst this is outside it is important to follow some basic rules. Please review the [SCC Covid Guidelines](#)

2. The email box in the next screenshot should be auto populated. So just click Next.
If not populated, this should be the email address of the member, not the email of the person volunteering on behalf of the member (proxy).

3. Select the volunteer position and click Next.

- Volunteer - Rest Stop Host (2 pts)** – 2 left
Rest Stop Host are responsible for setting up and hosting a rest stop along the route. Once SAG has confirmed all riders have passed the Rest Stop the host can return to the Start location
- Volunteer - SAG (2 pts)** – 1 left
SAG Drivers should be able to aid riders with difficulties along the route. If unable to resolve the problem then be able to transport the Rider and Bike to the nearest Rest Stop or back to the Start.

4. Fill out the details of the person who is volunteering on behalf of the member. Please make sure to fill out **'Proxy Email'** as well so we can communicate with the volunteer (proxy) directly via email before the ride.

- Note the **'Email'** box under Nick Name cannot be changed, it will contain the email of the member. **This is why 'Proxy Email' must be filled so we send important volunteer related communications directly to the person who is volunteering.**
